

DUELS

We built this city/We're not gonna take it

We built this city, we built this city on rock
and roll

Built this city, we built this city on rock and
roll

Someone always playing corporation games
Who cares they're always changing
corporation
names

We just want to dance here someone stole
the
stage

They call us irresponsible write us off the
page

But We're not gonna take it no!
No, we ain't gonna take it
We're not gonna take it anymore

Who counts the money underneath the bar
Who rides the wrecking ball in to our
guitars
Don't tell us you need us, 'cos we're the
ship of
fools
Looking for America, coming through your
schools

But We're not gonna take it (we built this
city)
No, we ain't gonna take it (we built this city)
We're not gonna take it anymore (we built
this city
on R&R)

But We're not gonna take it (we built this
city)
No, we ain't gonna take it (we built this city)

We're not gonna take it (no!) anymore (we
built
this city on R&R)
anymore (we built this city on R&R)
anymore (we built this city on R&R)

Beat it

Beat it, beat it, beat it

No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or who's
right

Just beat it, beat it, beat it, beat it

No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it, beat it, beat it, beat it

No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right
Just beat it, beat it
