

"Love Can Move Mountains"

Faith, trust, love
Love can, love can move mountains
Ou...
There ain't a dream that don't
Have a chance
To come true now
It just takes a little faith baby
Anything that we want to do
We can do now
There ain't nothing in our way baby
Nothing our love couldn't rise above
We can get through the night
We can get to the light
Long as we got our love to
Light the way
With a little faith

Just a little trust
If you believe in love
Love can move mountains
Believe in your heart
And feel, feel it in your soul
And love, love can, love can
Move mountains
Oh yeah baby

Oceans deep and mountains high
They can't stop us
Because love is on our side baby
We can reach the heavens and
Touch the sky
Just believe it, believe in you and I baby
If we got love that is strong enough
We can do anything, we can through
through anything
'Coz through it all love will always
Find a way
Just a little faith

Just a little trust
If you believe in love
Love can move mountains
Believe in your heart
And feel, feel it in your soul no, no
And love baby, love can, love can
Move mountains

You got to feel it baby
Oh yeah

You believe in me
I'll believe in you
If we believe in each other
Nothing we can't do
If we got love that is strong enough
Love will find a way

Just a little trust
If you believe in love
Love can move mountains
Believe in your heart
And feel, feel it in your soul then
And love baby, love can move mountains

Love will find a way
Love will find a way baby
We believe each other
Oh baby
You need a love
Love can move mountains yeah!
