

Can't back down

We can't

We can't back down

We can't

We can't back down

We can't

We can't back down

We can't

We can't back down

Not right now

We can't back down

Not right now

We can't back down

We can't back down ou ou yeah

eah...

Don't close your eyes

We're all in this together

Wherever we draw the line

**We're not gonna straddle across
it**

Or lose it

We can't back down

There's too much at stake

This is serious

Don't walk away

**We can't pretend it's not
happening**

In our own backyard

Our own home plate

(No way)

We've been called out

(We've been called out)

Do you hear your name?

(Yo)

I'm not confused

Let's win this thing

(Let's do it)

We can't back down

There's too much at stake

Don't walk away

Don't walk away, yeah

Don't get me wrong

I don't like confrontation

**I'd rather we all just get along
yeah**

**Music should be undivided,
united oh oh**

We can't back down

There's too much at stake

This is serious

Don't walk away

**We can't pretend it's not
happening**

In our own backyard

Our own home plate (no way)

We've been called out

(We've been called out)

Do you hear your name? (yo)

I'm not confused

Let's win this thing (let's do it)

We can't back down

There's too much at stake

Don't walk away

Don't walk away

Don't walk away yeah...
