Small world

It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're aware
It's a small world after all

Au bout du Pôle Nord ou sur l'Equateur
Y a un Jean qui rit, y a un Jean qui pleure
Du soleil de midi au soleil de minuit
On a tous la même vie

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

There is just one moon, and one golden sun
And a smile means friendship to ev'ryone
Though the mountains divide, and the oceans are wide
It's a small world after all

Au bout du Pôle Nord ou sur l'Equateur
Y a un Jean qui rit, y a un Jean qui pleure
Du soleil de midi au soleil de minuit
On a tous la même vie

Car le monde est tout petit
Devant le ciel on se dit
Que nous sommes des fourmis
Le monde est petit

It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're aware
It's a small world after all

Au bout du Pôle Nord ou sur l'Equateur
Y a un Jean qui rit, y a un Jean qui pleure
Du soleil de midi au soleil de minuit
On a tous la même vie

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

Au bout du Pôle Nord ou sur l'Equateur
Il y a un Jean qui rit, il y a un Jean qui pleure
Du soleil de midi au soleil de minuit
On a tous la même vie

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

It's a small world after all
It's a small world after all
It's a small world after all
It's a small… world… Af…ter... all !
